

## INCLEMENT WEATHER

In the event of inclement weather: lightening, or shelter in place, UTA staff and meet officials will delay events. UTA uses the Thorgard lightening detection system as well as DTN WxSentry.

- When lightening is detected, you will hear **1 siren** and will be asked to go to your team buses, and concourse areas
- There will be a 30-minute delay, the timer will restart with a new “Red Alert.”
- Once there is an “All Clear” you will hear **3 sirens**, events can resume.
- When there is a shelter in place, a Public Address Announcement will be read, and you will be asked to go to you team buses, vehicles.
- In the event that Thorgard is not working information that is provided via WX sentry will be used.

If there is a threat of inclement weather, the UTA Athletic Training staff, meet personnel, and meet officials will be monitoring closely.

*Please review the **Emergency Action Plan** provide in your UIL Regional Track and Field meet packets.*

## **POINTS OF INTEREST CONCERNING FIELD EVENTS:**

- Shot Put and Discus** All shot and discus will be weighed and marked at the table underneath the West side grandstands, under the press box starting at 7:15 a.m., Friday, April 19th. All implements will be pooled. Athletes will take their throws in order during each round of competition. (Two trials in succession will not be permitted). Also, please note check-in information on page 11 regarding the opportunity for throwing implement weigh-in on Thursday, April 18th 6-8pm.
- Relays** Use White Athletic Tape **ONLY**
- Personal Blocks** Anyone runners or teams that want to use their own blocks, must get approval from the starters. Runners will be responsible for bringing blocks down to the start line with them, and the blocks must leave with the runner when they exit the track. UTA will not be responsible for setting out, or housing personal blocks. In general, blocks must (as much as possible) stay with runners.
- Horizontal Jumps** In the event that all competitors who qualify for the finals come from the second flight, we will offer only one run through prior to the start of finals. If there are any competitors advancing from flight 1 to the finals ALL competitors will share the runway for 10mins to prepare for the final flight of competition.
- Packet- Pick Up** Thursday 6-8pm. Late Packet pick up will be available in the mornings Friday and Saturday 7:15 am- Noon Friday and 7:15am -10am Saturday.
- High Jump** We will use "Five Alive" during the competition as needed.
- Pole Vault** We will use "Five Alive" during the competition as needed. All pole vaulters will be weighed, and all of their poles inspected in the room on the northeast end of Maverick Stadium starting two hours prior to the start of their event. This must be done 1.5 hours prior to reporting to the competition venue. There will be pole vault weigh in Thursday 6-8pm, please note once poles are checked in they will not be available again until warm-ups for competition
- Ties in Field Events** The UIL requests that there be six clear places in all field events. All ties in field events will be broken by using the appropriate method for that field event as stipulated in the National Federation Rule Book. In the throws and horizontal jumps, the method is to use the next best jump or throw until the tie is broken. In the pole vault and high jump, the method is a jump-off. Ties do NOT have to be broken to make finals.

## **QUALIFYING PROCEDURES FOR UIL REGIONAL TRACK AND FIELD**

### **6A REGION I & 5A REGION II AREA TO REGION** – Running Events – 16 Qualifiers

1<sup>st</sup> and 2<sup>nd</sup> from each area meet – serpentine\* to determine heat 1 and heat 2 – then draw randomly for preferred lanes 3-4-5-6 in each heat

3<sup>rd</sup> and 4<sup>th</sup> from each area meet – serpentine\* to determine heat 1 and heat 2 – then draw randomly for preferred lanes 1-2-7-8 for each heat

### **PRELIMS TO FINALS** – Running Events – 8 qualifiers

Top two times in each heat and then the next 4 fastest times qualify for finals.

1<sup>st</sup> and 2<sup>nd</sup> in each heat– serpentine\* - then draw randomly for preferred lanes 3-4-5-6.  
5<sup>th</sup> and 6<sup>th</sup> will be randomly assigned lanes 2 and 7 and 7<sup>th</sup> and 8<sup>th</sup> place will be randomly assigned lanes 1 and 8.

800/1600/3200 – We will use a 2-alley start; Top 8 times = lanes 5-8, Remaining field = lanes 1-4

### **ALL FIELD EVENTS**

On the flight sheets for long jump, triple jump, shot put, and discus – list by descending order – lowest to highest ensuring that the 8 best distances are in the second flight. Then draw randomly for position in each flight.

With pole vault and high jump, list in descending order to ensure that the 8 best are at the end of the event.

\*Serpentine – example – after serpentine is complete - draw for heats - then draw for preferred lanes as listed above.

1<sup>st</sup> and 2<sup>nd</sup> from each area meet –

1 2  
2 1  
1 2  
2 1

3<sup>rd</sup> and 4<sup>th</sup> from each area meet –

3 4  
4 3  
3 4  
4 3

Same procedure would be followed for those advancing to finals.
